Letter from the City Manager

Dear Residents and Community Members,

In the previous spring edition of City Highlights, I elaborated on our 40th anniversary, the 132-year history of our area, and how Mill Creek came to be. In this edition, I'll share how our City Council, leadership team, and staff are looking toward the future and defining the long-term vision for our city while working to keep Mill Creek clean, safe, and well-maintained.

Two significant projects are helping to define our long-term vision: our Comprehensive Plan and a 20-year vision. The first, mandated by the

Washington State Department of Commerce, per the Growth Management Act (GMA), requires that all cities meet growth targets by 2044. This necessitates completing a Comprehensive Plan, a joint project with the City and our Planning Commission, by the end of this year. In addition, the City hired 1961 Consulting to lead our City Council and staff in developing a 20-year vision for the City. For each, community engagement is vital; as a community member, you can "Help Shape the Future of Mill Creek" by taking the Vision Survey on page 11. Providing feedback takes just a few minutes but can make a real difference.

Another extensive project includes plans for a multi-purpose facility on the Dobson, Remillard, Church, and Cook (DRCC) properties, also known as the "park properties." We are preparing for phase one, concept development, previously interrupted by the pandemic. When the time is right, we will engage the community for feedback; if interested, visit millcreekwa.gov/resident and sign up for DRCC email notifications.

Working on long-term projects is essential to our future, but as Mill Creek ages, we must also focus on the core needs, including the 5-year Pavement Preservation Program and Safe Streets 4 All, which started last year. This year, we will continue to assess pavement requirements throughout the city and take inventory of infrastructure needs that will improve the safety of our pedestrians, bicyclists, and motorists. We also have many projects funded by the American Rescue Plan Act (ARPA), such as signage, clean-up, and small-scale infrastructure improvements that will continue.

On the legislative front, the City developed a committee to work with State and County legislators, discussing priorities and how legislative bills impact our communities as we operate and plan for our future. With the leadership of Mayor Brian Holtzclaw, I'm happy to report that in 2023, the City landed \$1.5M in State funding to work on phase one of our DRCC project and improve our HVAC system in our City Hall North building.

Our leadership team and staff take great pride in the quality of work we do to serve our residents, businesses, and visitors, and we can always use a little help. If you or someone you know would enjoy participating in this important work, either as a volunteer, a member of one of our boards & commissions, or as an employee, we'd like to hear from you. Visit millcreekwa.gov/resident for more information.

I hope this season brings growth, warmth, and renewal to all who enjoy our beautiful city.

Adopt-a-Street Program

Mill Creek residents and volunteers, Angela & Paul Heise.

We're excited to introduce Mill Creek's NEW Adopt-a-Street program, a partnership between the City of Mill Creek and local volunteer groups to help reduce litter and create a more attractive and welcoming city.

This program is a passion project for one of Mill Creek's most dedicated volunteers, Barb Heidel, our Volunteer Coordinator and a Mill Creek Police Department Citizen's Patrol (CP) member who works tirelessly for our community. We truly appreciate all

Volunteers Barb Heidel & Alina Sergiyenko.

If you want to know more about the program or have a group ready to help, visit millcreekwa.gov/volunteer or email volunteer@millcreekwa.gov with questions. A coordinator will work with you to complete all necessary registration forms, help choose available street sections, discuss schedules, and provide instructions, including how to use the equipment supplied by the City.

Please note that volunteers ages 12-17 may participate, but must have at least one adult per 3 youths, plus a parental signature.

Thank you for helping to keep Mill Creek a clean and beautiful place!

Help Shape the Future of Mill Creek

Mill Creek's Comprehensive Plan is a 20-year roadmap that envisions the City's long-term growth, infrastructure, and services. It articulates a series of goals and policies intended to guide the day-to-day decisions of elected officials and City staff.

The City of Mill Creek is updating its comprehensive plan for the next twenty years, and beyond. As the plan is developed, the City will engage the community on important topics including land use and development, housing availability, environmental concerns, and infrastructure.
